Managing git conflicts

Week 1

Week 2 ...

Initial notebooks

Develop new notebooks

Master branch

git pull original notebooks

git pull new notebooks

Week 1

Keep my notebooks

Week 2 ...

1. Duplicate master notebooks with new names, e.g. my_tutorial01.ipynb (to avoid future conflict)

2. Git save my_tutorial01.ipynb with git commit

1. Duplicate master notebooks with new names, e.g. my_tutorial02.ipynb (to avoid future conflict)

2. Git save my_tutorial02.ipynb with git commit
